Child and Youth Safe Commitment Statement

Kingborough Little Athletics Centre has implemented Tasmania's Child and Youth Safe Organisations Framework in line with legislation.

We are committed to promoting and protecting the safety and well-being of children and young people in our care that access activities, programs, services, and facilities for which we are responsible for.

We are committed to being a child safe organisation, placing the rights of children and young people at the centre of our thoughts, values and actions.

We will actively inform and involve children and young people on decisions that affect them, and we commit to listening to and championing their voice.

We want children to be safe, happy and empowered.

We support and respect all children, as well as our and volunteers.

We are committed to the safety, participation and empowerment of all children.

We have zero tolerance of child abuse, and all allegations and safety concerns will be treated very seriously and consistently with our robust policies and procedures.

We have legal and moral obligations to contact authorities when we are worried about a child's safety, which we follow rigorously.

We are committed to regularly training and educating our committee members and volunteers on child abuse risks.

We are committed to the cultural safety of Aboriginal children, the cultural safety of children from culturally and/or linguistically diverse backgrounds, and to providing a safe environment for children with a disability.
